Milwaukee Inner-City Congregations Allied for Hope (MICAHA) is a 501(c)3 non-profit consortium working to address issues of justice in Milwaukee, a city afflicted with radicalized and concentrated poverty. We are committed to training and empowering ordinary people to do extraordinary things.

In August, 2023, MICAHA launched a major campaign, titled ***We All Belong***. This campaign is open to anyone who rejects hatred, inequality and oppression, and is willing to work for the “Beloved Community.” In the Beloved Community, **all people are valued and respected, and prejudice, oppression and greed are replaced with friendship and goodwill.** In the Beloved Community, care and compassion drive policies, and the intrinsic worth of all people is embraced.

Because the election of 2024 is not between two men, but between two ideologies – Democracy vs Autocracy – and because one ideology gives all people the right to participate in their governing, and one withholds that right from some groups – the We All Belong Campaign is sponsoring a Rally for Democracy on July 14, the eve of the Republican National Convention.

We All Belong seeks an inclusive democracy, and rejects the political ideology of white christian nationalism. We seek to build a Beloved Community where everyone is valued, respected, and included.

Any of the members of our Executive Leadership Team would be happy to speak on behalf of MICAHA and the We All Belong Campaign on the importance of this Rally for Democracy, and this election.
